LUZON WEST COAST CLEARED OF JAPS

Moscow Proclaims Utter Defeat of Nazi Army

Marines Still Hold Wake Island Tokyo Statement Admits

Sea-borne Japanese troops which gained a foothold at Lingayen on the west coast of Luzon Island, 100 miles north of Manila, have been wiped out, it was reported officially today, as American fighter planes pitched into waves of Japanese bombers in spectacular dogfights over the Philippine capital.

Other had news for Tokyo was reported by the Batavia (Dutch East Indies) radio, which said 4,000 Japanese troops lost their lives when Netherlands submarines sank four Japanese troop transports off southern Thailand, near Malaya.

Simultaneously, Imperial Tokyo headquarters obliquely conceded that American forces were still holding out on tiny Wake Island, about midway between Honolulu and Manila, where U. S. marines have been fighting off savage Japanese air and sea attacks for days.

Japanese headquarters said military objectives on Wake Island had been severely damaged in an attack by Japanese naval units Thursday. The Japanese suffered some losses, it was admitted.

A Tokyo communique said eight American planes were shot down in aerial attacks on the Philippines and 14 others destroyed on the ground. Eleven American flying boats also were claimed destroyed.

In the Far East, Domei broadcast a dispatch from Saigon, French Indo-China, asserting that British troops defending Hongkong had withdrawn from their first line of defense following Japanese capture of Kowloon on the mainland facing the great British naval base.

Domei declared that "British forces in Hongkong have been trapped and the fate of the crown colony is virtually sealed."

The Japanese ambassador in Buenos Aires said Hongkong had fallen, but this had no substantiation, not even from Tokyo.

A bulletin from the Manila headquarters of Lieut.-Gen. Douglas MacArthur, U. S. army commander in chief of the Far East, indicated that Japanese forces attacking the Philippines had failed to gain any new bridgeheads on Luzon Island.

"The situation on the ground has not changed," the communique said, adding that "mopping up in the Lingayen area has been concluded."

Manila itself experienced a wild, gun-blazing night in which sentries and police battled fifth columnists who fired several red signal rockets over the city.

Reuters, the British news agency, quoted a Domei dispatch from Shanghai as saying Honolulu had undergone six Japanese air raids within nine hours after Secretary of the Navy Knox arrived there. There was no confirmation of this report.

Dispatches from Manila timed 3:10 p. m., Manila time (2:10 a. m. EST) said the enemy heavily bombed Nichols air field and native residential sections.

Meanwhile, Tokyo naval headquarters, silent on official U. S. reports that Japanese warships had fled to avoid battle with units of the American Asiatic fleet, claimed the sinking of a third United States battleship—the 22,600-ton Arizona—in action off Hawaii.

The Arizona, launched in 1915, has a normal complement of 1,358 officers and men.

Previously Tokyo had listed the battleships Oklahoma and West Virginia sunk in the surprise air attack on Pearl Harbor, Honolulu, last Sunday.

There was no confirmation elsewhere on the Japanese claim of the Arizona sinking. In Washington, the Arizona was reported to have been sunk.

TO EXECUTE 100
London, Dec. 13.—(P)—A Reuters dispatch from Vichy said today that German authorities in occupied France had announced that 100 Jews and Communists would be shot. A fine of 1,000,000 francs (\$20,000,000) was imposed on Jews in occupied territories for recent attacks on German troops.

OIL OPERATOR DIES
Midland, Tex., Dec. 12.—(P)—John P. West, 45, well known in Mid-Continent oil circles, died last night. He was district manager for Amerasia Petroleum Corp. and was formerly associated with the Prairie Oil and Gas Co.

SWEDISH LUXURY LINER TAKEN OVER
Washington, Dec. 12.—(P)—The late department announced today that the United States had taken over the Swedish motor ship Kungsholm, luxury liner which formerly plied the Atlantic and more recent has cruised on Caribbean pleasure trips.

A department statement explained that while the Kungsholm belongs to a friendly power its further use for pleasure cruises is impracticable under the war situation.

Late Associated Press Bulletins
Melbourne, Australia, Dec. 12.—(P)—An Australian air force communique said today that enemy scouting planes had been seen over the Bismarck archipelago northeast of New Guinea, but that they had made off before they could be intercepted.

Bogota, Colombia, Dec. 13.—(P)—Anibal Rios, third vice president of Panama in the overthrown regime of Dr. Arnulfo Arias, said today he was renouncing all claim to the presidency of the republic "in the interests of Panama and the western hemisphere."

Bern, Switzerland, Dec. 13.—(P)—Anto Mussert, chief of the Netherlands National Socialist Society, and Arthur Seyss-Inquart, German commissioner for The Netherlands, conferred with Adolf Hitler today in Berlin, the German news agency, DNE, reported.

London, Dec. 12.—(P)—King George VI and Queen Elizabeth have given 1,700 books as a Christmas present for British prisoners in Germany. They will be distributed by the Red Cross among 37 prison camps and hospitals.

Bern, Switzerland, Dec. 13.—(P)—The Italian news agency, Stefani, quoted round-about reports from Gibraltar today that the 4,274-ton Russian steamer Gichel had been sunk by bombs, with the loss of all but two of its crew.

SCHEME IN PACIFIC IS REVEALED

Tokyo's Plans for Moving In on the Philippines, War Department Says "Is Clearly Indicated" as Calling for Establishment of "Improvvised Air Bases" Outside Ground Defense Areas

NO FURTHER REPORTS ON HAWAIIAN FRONT

BULLETIN
Washington, Dec. 13.—(P)—The navy announced today that it was unable to communicate with the Pacific island of Guam by either radio or cable and added that capture of the island by the Japanese was probable. A force of fewer than 400 naval personnel and 155 marines were stationed on the island, said the navy communique, and these defenders had been repeatedly bombed. Furthermore Japanese troops were said to have landed at several points on the island. The navy said that Wake and Midway islands which lie closer than Guam—which is closest to the Philippines—were continuing to resist.

Japan's scheme for moving in on the Philippines, the war department said today, "is now clearly revealed" as calling for establishment of "improvvised air bases" outside ground defense areas.

A special legislative committee agreed Thursday night, after months of conflict, to drop one Republican and one Democratic congressional district, and elect one congressman-at-large as the solution to the reapportionment snarl.

Pennsylvania must reduce its number of representatives in congress from 34 to 22, to meet 1940 census requirements.

State Senator John G. Snowden, Lycoming Republican, said the Republicans have decided upon this plan, which may be amended slightly, going away with the 10th district as now constituted.

Lycoming, Clinton and Tioga counties of the present 16th district to be united with Bradford, Sullivan, Susquehanna, Wyoming, and possibly Wayne, Columbia and Montour counties—the latter three not definitely assigned yet.

14 CONVICTED IN HUGE SPY RING PLAN TO APPEAL

New York, Dec. 13.—(P)—The conviction of 14 light-lipped defendants accused of supplying military information to Germany today capped the government's drive against one of the most fantastically operated spy rings in recent history.

Against a backdrop of the day-old war between the two countries, the 14-week-long trial ended early today with a comparatively speedy verdict. A jury of nine men and three women deliberated only eight hours before finding the 14 guilty on both counts of an indictment charging conspiracy to avoid registering as German government agents and conspiracy to deliver to the Nazi government vital American defense secrets.

The verdict carried a maximum sentence of 22 years. Federal Judge Mortimer W. Evers said he would set a date for sentencing Monday.

George Gordon Battle, one of the defense attorneys, said he expected to appeal and several other lawyers indicated that if Battle had the 2,150,000-word record printed, they also would appeal.

Judge Evers said in his 2½-hour charge to the jury that it was "unfortunate" that war started during the trial, declaring it was "probably no exaggeration" to say the defendants had "manifested deep sympathy for Germany."

More than 40 other men were indicted.

SEVEN DEAD IN IOWA EXPLOSION

Burlington, Ia., Dec. 13.—(P)—A terrific T.N.T. explosion, which destroyed a melting unit at the Iowa Ordnance plant and killed at least seven men, left officials today with even greater confidence in the construction soundness of the \$60,000,000 defense project than before the tragedy.

Five of the dead were identified from fingerprints, parts of two other bodies were recovered, and seven persons were listed as missing by George B. Yard, personnel director for Day and Zimmerman, Inc., Philadelphia, operators of the shell loading plant owned by the government.

One Plan to Reapportion the State Would Add Three Counties to 28th

Potter, Cameron and McKean Would Become Part of Same District With Venango, Mercer, Forest, Elk and Warren

SESSION CONSIDERED

Harrisburg, Dec. 13.—(P)—Republicans have agreed on a tentative plan to drop one congressional district in the northeastern tier, it was reported today, as Governor James put off until after New Year's calling of the legislature to act on reapportionment and fast-developing defense problems.

A special legislative committee agreed Thursday night, after months of conflict, to drop one Republican and one Democratic congressional district, and elect one congressman-at-large as the solution to the reapportionment snarl.

HEARINGS ON DRAFT ACT OPEN

Secretary of War Stimson, In Letter Sent to Chairman of House Military Committee Emphasizes The Psychological or Moral Effects of Passage Of Measure to Provide "Great Pool of Men"

BRIG GEN. HERSHEY THE FIRST WITNESS

Washington, Dec. 13.—(P)—Secretary of War Stimson urged today to approve promptly far-reaching extensions of the draft act to provide "a great pool of men" to meet any eventually.

In a letter sent to Chairman May (D-Ky.) as the committee opened hearings on legislation to register all men from 18 to 64, inclusive, and to make men from 19 to 44, inclusive, liable for military duty, Stimson said:

"I desire to emphasize the psychological or moral effects of the passage of a great measure along these lines. It will make clear to the American people the character of the effort that will be required to defeat the vast forces arrayed against us. To the outside world it will be a symbol that we are providing the means to make good our declared policy to 'accept no result save victory, final and complete'."

"The broad purpose of the bill is to provide a framework into which we can steadily and solidly build stone by stone the structure which will accomplish victory."

"I wish most respectfully to express a caution against the inclusion in the bill of any restrictions as to the priorities whereby men may be called for military service, or restrictions as to administrative procedures, because such restrictions might turn out to be shackles that would hamper the organization of our land and naval forces and the conduct of the war."

Brig. Gen. Lewis B. Hershey, selective service director, was the first witness. He told the committee that "we have no idea of hysterically rushing to classify everybody."

He added, "the time is not here, but probably approaching, when additional men must be ready."

Hershey estimated the new registration law would require the registration of 10 million men.

FOURTH ALERT IN 'FRISCO PROVES SATISFACTORY

San Francisco, Dec. 13.—(P)—San Francisco, undergoing its fourth blackout of the war last night in an air raid alert that lasted two hours and 24 minutes, proved to the army that it knows how to turn out the lights.

A score of persons were injured, one man dropped dead, there was violence and property damage. But the city was black.

It was such an improvement that Lieut. General John L. Dewitt, commander of the Fourth Army, who became bitterly angry over San Francisco's first bungling blackout attempt Monday, said he was "extremely pleased."

Blackness extended 100 miles eastward to Sacramento and was effective more than 50 miles southward past San Jose.

The only military announcement was one from Fourth Army headquarters saying that army detectors had located unidentified planes flying over the area.

Accompanying the alert were many unofficial reports of planes being flying over San Francisco.

Police who swarmed to investigate a report that lights were burning from windows of a downtown building found the lights were burning in offices used by the fourth intercept command.

STATE EXTENDS AIR RAID PLAN

Pennsylvania air raid warning machinery was moved rapidly westward today as 15 additional central boxes were ordered set up to bring 40 of the state's 67 counties under the defense council's alarm system.

The state council was directed to proceed immediately with installation of air raid warning boxes in the 15 centers, to complete the coverage as far west as Altoona. They already are in position in 19 centers.

Within the next two weeks the system will be spread to the remaining western counties to complete the preparations for any air raids.

Rep. Van Zandt Sends Japanese Medal Back

Washington, Dec. 13.—(P)—The medal which Rep. James E. Van Zant, Altoona, Pa., Republican, received from Japan in 1936 was enroute back to the Japanese officials today.

The former national commander of the Veterans of Foreign Wars also announced he would report immediately for duty with the Atlantic fleet. He is a lieutenant in the naval reserve.

He headed a good-will delegation to Japan five years ago as head of the veterans organization and received from the Imperial Reservoirs Association of Japan a medal inscribed:

"In token of our friendship and hands across the sea to endure to the end of the world."

The medal, he said, was accompanied by a letter expressing "regretment at the barbarous treatment accorded the United States as a peace-loving nation."

Last night he told a group at State College, Pa., that this nation has the "greatest navy in the world."

Van Zandt also said that if Treasurer Morgenthau's recommendations are followed next year, taxes may amount to 25.4 cents of every dollar earned in the nation. The national debt may rise to 150 billions, he added.

UNREST IS FOUND AMONG INMATES AT WHITE HILL

Harrisburg, Dec. 13.—(P)—A committee which investigated the administration of Pennsylvania's new \$4,000,000 industrial school for boys reported to Governor James today that there was antagonism among officials and a rebellious attitude on the part of one-third of the inmates.

The inquiry group, named by James at the request of Superintendent Henry C. Hill after the fatal shooting of an inmate attempting escape, recommended the age limit of 25 be reduced by the legislature, and the older men be released.

Prospect That Nazi Fuehrer, Heartily Sick of Bloody Losses and Bitter Hardship Suffered on Frozen Steppes, May Have Decided to Lay Out in Another Direction Found in Supporting Omens

MIDDLE EAST THEATRE REPORT ENCOURAGING

By the Associated Press
A disastrous end to Adolf Hitler's invasion of Russia was freely predicted by London military quarters today as Moscow proclaimed the utter defeat of a 750,000-strong German army and signs multiplied that Hitler might be planning a new campaign through Bulgaria into Turkey and the Middle East.

The prospect that the Nazi Fuehrer, heartily sick of bloody losses and bitter hardship suffered on the frozen steppes of Russia, may have decided to lash out in another direction found these supporting omens:

1. Britain announced that she was sending immediate aerial reinforcements to the Middle East—evidently to meet a new thrust, since British armies already had the Germans and Italians on the run in North Africa.

2. German-dominated Bulgaria, which has remained neutral and hence legally not entitled to serve as a base for German operations, declared war on Britain and the United States.

3. Germany has officially announced that her armies in Russia were withdrawing to "new defense positions" for the winter—possibly a subterfuge to mask the shifting of these forces to the Middle East.

4. Russian reports of new German "peace feelers" to Moscow, (Turn to Page Nine)

Pennsylvania Society To Banquet Tonight

BY TOM REEDY
New York, Dec. 13.—(P)—A social organization founded 42 years ago by sons of Pennsylvania meets again tonight in an annual get-together that has many times in the past influenced political campaigns in the commonwealth.

This yearly dinner started in 1899 when natives of the Keystone state living in the metropolis decided to form the Pennsylvania Society of New York.

In time, the affair became a gathering place for Republican party leaders and inevitably an informal state-making discussion.

It was here that the name of Pennsylvania's present Governor, Arthur H. James, first was advanced in 1937 and in 1938 he made the successful campaign for the gubernatorial nomination and election.

Many a Republican governor of Pennsylvania grew from the discussions of the Pennsylvania Society's influential members.

TWO NARROWLY ESCAPE SERIOUS HURTS IN CRASH

Two persons escaped serious injuries when the car in which they were riding failed to make a curve and struck the entrance of the United Brethren church, corner of Pennsylvania avenue and Hertz street, causing considerable property damage, about three o'clock this morning.

William Mulvey, Jr., 17 North Irvine street, driver of the car, which was a 1937 Ford coupe, is a patient in the Warren General Hospital suffering a fractured nose, wrenched shoulder, superficial cuts and bruises about the legs. He also lost several teeth in the accident. Ray Tesser, Irvine street, who was a passenger in the car, sustained a wrenched ankle and cuts and bruises of a minor nature. He did not require hospitalization.

According to reports Mulvey failed to make the curve in Pennsylvania avenue just east of the church and the car climbed the curb and proceeded parallel with Pennsylvania avenue for a distance of about 100 feet on the sidewalk. At the crosswalk of Hertz street and Pennsylvania avenue the machine struck and smashed a concrete street marker, just barely missing a tree.

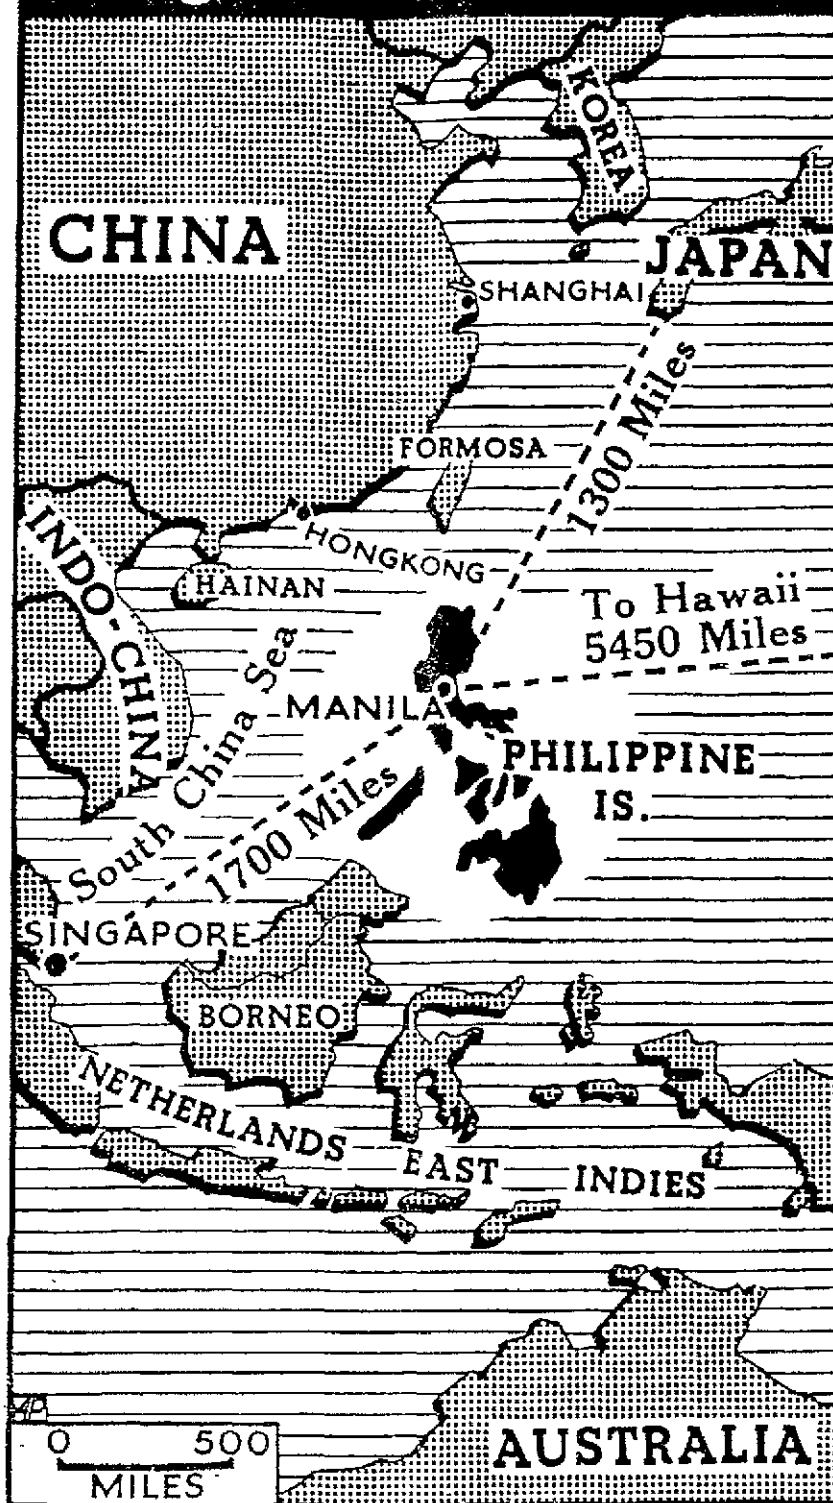

Continuing across Hertz street the car climbed the curb on the west side of that thoroughfare where it struck a stop sign and finally crashed head-on into a concrete railing leading up the steps to the entrance of the church. Before striking the railing the machine traveled up about twelve steps of the church entrance. The steps were badly damaged as large pieces of cement were torn away.

Several windows in the church were broken by fragments of concrete which were thrown through the air when the car struck the street marker across Hertz street. A panel in a door on the east side of the church was also smashed.

Mulvey was taken to the hospital in the Lutz ambulance. His car which was completely demolished, was towed to the Munksgard garage. Officers Charles Musante and Gerald Conboy investigated the accident.

According to police reports a charge of reckless driving will be placed against Mulvey.

FIRE SWEEPS WAREHOUSE
Fire destroyed Christmas merchandise valued at \$1,500 in a warehouse and apartment blaze at Bradford last night. The building, owned by J. L. Monroe and son, was converted to a warehouse only two weeks ago. Firemen said the blaze started above a heater.

TO PAY RESPECTS
Members of the Warren Lodge of Elks, will meet at the lodge home tomorrow afternoon at three o'clock to go in a body to the Lutz Funeral Home, where they will pay their last respects to Peter Jamieson, a member of the organization for many years.

REPORTED SAFE
Word has been received by Mrs. S. D. Ruhlman, Conewango avenue, that Miss Ruth Richards, daughter of Mr. and Mrs. Alfred Richards, of Jamestown, N. Y., who is taking a special course at a Honolulu hospital, is safe and well. Miss Richards' mother was formerly Una Thompson and resided here for many years.

FILM CANCELED
Announcement was made today by Manager George Sarvis, of the Liberty theatre, that the March of Time film, "Four America at War," will not be shown here on Sunday, Monday and Tuesday, as advertised. Reason for the cancellation, he stated, is that the War Department refused to release the film and would not permit any theatre to show it.

INTERESTING EXHIBIT
In one of the Liberty street windows of the Warren National Bank, there is a timely exhibit showing illustrations of the insignia of rank, service, and medals of the United States Army, Navy and Air Corps. This will be interesting to the many people who are not familiar with such insignia, and especially to those families who are represented in the armed service. The framed illustrations are the property of George H. Schreitzer.

FURLOUGH CANCELLED
Robert F. Correll, private first class, of 30 Water street, stationed at Fort Sill, Okla., telephoned his father last night that he would not arrive today on furlough as planned, since all furloughs at the post have been cancelled and the outfit is moving out. Robert said some of the men had been gone five hours when he telephoned, and he expected to move at any minute. H. W. Correll, his father, is giving this information for the benefit of other parents in this vicinity with sons at Fort Sill so that they may know the reason if they fail to receive communications for a time. He did not state his son's destination, but it is information which the War Department would not wish published and he says he will not answer inquiries on the subject.

ATTENTION ELKS
Members of Warren Lodge, B. P. O. Elks, are requested to meet at the lodge home Sunday at 3:00 P. M. to go to the home on Onondaga Ave., to pay their respects to their late brother, Peter Jamieson. H. J. Christensen, Exalted Ruler, 12-13-14.

FIRE DESTROYS FORMER WARREN FAMILY'S HOME

Word has been received here that fire of undetermined origin destroyed the home of Mr. and Mrs. Karl M. Lyons, Edgehill Drive, Tokeneke, Conn., shortly before 10 o'clock Wednesday morning, causing damage estimated to be more than \$30,000. Mr. and Mrs. Lyons formerly resided here.

The house, owned by a New York man and leased last January by Mr. and Mrs. Lyons, was completely destroyed and all contents lost, including many antiques, paintings, a valuable baby grand piano and a large quantity of sterling silver owned by Mr. and Mrs. Lyons.

There was no one at home at the time of the fire. Mrs. Lyons had left the house on an errand about a half hour before the blaze was discovered. Their children were in school, while Mr. Lyons had left early for his business in New York.

According to information received by friends here, a dog and two canaries were lost in the fire, as well as household effects and clothing.

LIST TYPES OF MERCHANTS WHO MUST REGISTER

P. A. Brown, managing director of the Pittsburgh branch of the Federal Reserve Bank of Cleveland, has pointed out that the general license granted when Regulation W was issued, expires December 31, 1941. The regulation, which was issued under authority of the executive order of the president, provides that in order to have a license to operate after January 1, 1942, the following must register with the Federal Reserve Banks:

A Registration Statement must be filed by any person or organization which is:

- (1) engaged in the business of making installment sales of any of the articles listed in the Supplement to Regulation W; or
- (2) engaged in the business of making installment loans in amounts of \$1,500 or less, or installment loans in any amount secured by articles listed in the Supplement; or
- (3) engaged in the business of discounting or purchasing or lending on the security of installment obligations arising from transactions described in (1) or (2).

Forms for registration may be obtained by writing, by telephoning, or applying in person to the Federal Reserve Bank at 717 Grant Street, Pittsburgh. There is no fee in connection with obtaining such a license and the registration forms are easy to prepare.

ICY CONDITION MAKES DRIVING VERY DANGEROUS

Rain sleet and snow combined today to make driving conditions on the highways of this section extremely hazardous and forced motorists to use extreme caution in order to avoid serious accidents. Similar conditions existed in many sections of the state.

Highways were coated with a thin crust of frozen slush and rain which fell froze almost on contact. A number of minor mishaps have been reported in the district, although but one serious accident was reported here. That occurred at the intersection of Pennsylvania avenue and Hertz street.

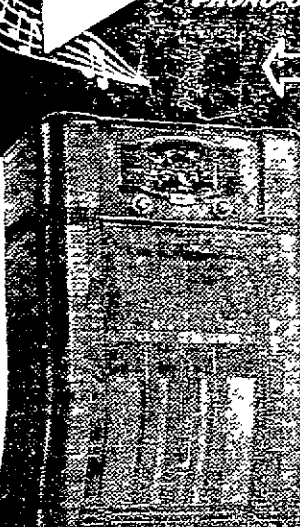

In addition to slowing land traffic, to a great extent the weather caused the cancellation of airplane flights, including the air mail pick-up service between Pittsburgh and Jamestown, N. Y.

The weather bureau at Pittsburgh predicted rain and sleet today, with slowly rising temperature. Cooler temperature and snow flurries were forecast for tomorrow.

ANNOUNCE FINAL MAILING DATES FOR CHRISTMAS

Postmaster James K. Bell today announced a schedule of final mailing dates, which, he said, should assure the delivery of parcel post packages and greeting cards at even the most distant points in the United States before Christmas day.

All gift packages, particularly those outside of local delivery, should be insured to cover damage against loss or breakage, the postmaster said, pointing out that the cost is small.

Following is the schedule announced by Postmaster Bell:

Tuesday, Dec. 16—All Pacific Coast states, Montana, Wyoming, Nevada, Utah, Arizona, New Mexico, Texas and all army, navy and air corps camps except those located in the Middle Atlantic States.

Wednesday, Dec. 17—All other states west of the Mississippi river; also Florida, Georgia, Louisiana and Mississippi.

Thursday, Dec. 18—Alabama, North and South Carolina, Tennessee, Kentucky, Maine, New Hampshire, Vermont, Missouri; also all army, navy and air corps posts in the Middle Atlantic States.

Friday, Dec. 19—Wisconsin, Michigan, Indiana, Illinois, Maryland, Massachusetts, Connecticut, Delaware.

Saturday, Dec. 20—District of Columbia, New Jersey, New York, Ohio, eastern Pennsylvania, Rhode Island, Virginia, West Virginia, southwestern Pennsylvania.

Sunday, Dec. 22—Northwestern Pennsylvania, Warren county and all local deliveries.

Any parcels mailed to any of the various states after the listed dates should be sent special, if delivery is desired before Christmas, Mr. Bell said. There will be no deliveries, except specials, on Christmas day.

MAKE PLANS TO HAVE CHRISTMAS GIFTS AT HOME

Plans are reported well under way for the providing of Christmas gifts for children at the Hoffman Home in Conewago avenue. As has been the custom for the past several years, the Rotary Club and city commissioners have contributed equal amounts toward answering the letters to Santa Claus. These donors have again asked the Warren County Children's Aid Society to select, purchase, wrap and deliver the gifts.

The Aid Society board of directors entertained several guests at the regular meeting Tuesday morning. Mrs. F. H. Ramsey, executive secretary of the Pennsylvania Children's Aid Society and of the Allegheny County society; Miss Kathleen Sibley, field worker for the societies of western Pennsylvania.

They came at the invitation of the local group to answer questions about work among children throughout the section. The local society is pledged to a sound policy for placing children in foster homes and adoptive homes and has included in its program work with children in their own homes.

The directors expressed thanks to the Warren Relief Association for help with two families, and a check received from a local firm to help with work for children in the county, was accepted with a vote of thanks.

Approval Given For New Civilian Pilot Training Class in Warren; Applications Now Being Received

Definite approval of a fourth Civilian Pilot Training program for Warren has been received here and students are already being enrolled for a ground school class which will be started during the first week in January, according to word received here late yesterday.

The CPT class is to be conducted as in the past by the Warren Airport management and will be under the sponsorship of the Warren County Federation of Clubs, with Harold D. Baker acting as coordinator.

Any young man between the ages of 19 and 26 is eligible to apply for membership in the coming class, providing he can pass the required physical examination.

It was pointed out today that the physical requirements are now even more rigid than they have been in the past. The tests given under the new regulations are equal to those required for the U. S. Army Air Corps. No one who wears glasses will be considered for the course.

Only cost to the students who take the course is for the physical examination, it was pointed out.

Plans Being Completed for Series Of Games for Alias Santa Benefit

Plans for the Times-Mirror Alias Santa Claus Fund benefit party, to be staged next Thursday evening, starting at eight o'clock, in the room over 219 Liberty street, which is occupied each Saturday by the American Legion, are almost complete.

The series of games, all proceeds of which will go to the Alias Santa Claus Fund, will be conducted by members of the American Legion, who are donating their services for this occasion.

Tickets will be placed on sale at various points in the business section on Monday and everyone will be given an opportunity to participate in the worthwhile work of the Alias Santa fund.

Tickets are only 30 cents, which entitles the purchaser to an evening of fun and profit. The Alias Santa Claus Fund for many years has been operating at the Christmas season to bring good cheer to many who otherwise might be forgotten.

Those charged with the work of distributing the Alias Santa Claus gifts already have started on their task and in order that they may complete their duty, additional funds are needed.

One additional contribution has been reported. This is a check for \$5.00 from Mrs. Bertha Kitchen. Other have been received previously and more are expected.

Anyone wishing to make a direct contribution to the fund may send his or her check to the Alias Santa Claus Fund, in care of the Times-Mirror.

In the special series of games party, everyone can help by purchasing a ticket.

Midshipmen at the Naval Academy are required to take dancing lessons and after dinner speaking.

NOTICE

Sealed bids will be received by the Town Council of the Borough of Warren, Pennsylvania, at a regular meeting of said Council to be held on the fifth day of January, 1942, at seven-thirty o'clock P. M., for the purchase of the following materials for the Airport Hangar Annex:

- Steel roof structure and supporting columns consisting of three (3) trusses sixty-three feet six inches (63'-6") C to C, supported by "H" columns twelve feet (12') high, and necessary purlins.
- Three (3) steel windows 8x11 lights and one (1) steel window 3x5 lights.
- Two (2) standard steel or fireproof doors 3'x7'.
- Sliding Hangar Type steel or fireproof doors for an opening 12'x44'.

Plans and specifications for the above may be obtained from the Borough Engineer at his office in the Municipal Building, Warren, Pennsylvania.

Delivery of the above to be F.O.B. Warren, Pennsylvania, with all taxes and transportation charges paid, within ninety (90) days after bid is accepted.

Each bid must be accompanied by a certified check of the bidder for ten percent, (10%) of the amount of the total bid as a guarantee that he will enter into a contract for the furnishing of the above materials specified, if bid is accepted.

The New Construction & New Projects Committee and the Borough Council reserve the right to reject any and all bids.

At the conclusion of the ground school, the ten students getting the highest grades in the final examination will receive free flight training.

A minimum of 35 ground school students must be in this class. Participation in the local program is not limited to Warren residents. As in the past, young men in surrounding towns are eligible to join the class. Students from Corry, Bradford, Kane and intermediate communities have joined previous classes and it is expected that most of those present will be represented in the coming class.

Young men desiring to apply for the course may obtain the necessary application blanks at the Warren Airport or at the office of the coordinator, 211 West Third avenue. Arrangements are to be made for a wider distribution of the applications as soon as sufficient blanks are obtained.

The program will be discussed at a meeting of a special committee from the Warren County Federation of Clubs, to be held next Tuesday evening at the Elks lodge home.

SHEFFIELD BOYS ARE BELIEVED IN BATTLE AREA

Sheffield, Dec. 12.—At least one local youth and possibly others who are members of the national armed forces were in Hawaii Sunday when that famous territory of the U. S. A. was attacked from the air by the Japanese, plunging the country into World War II.

Mike "Indian" Trisczyla, who was a star player for a number of seasons in the city softball league, is a member of B. Battery, 64th Coast Artillery, U. S. Army and has been stationed for months at Fort Shafter, Oahu, the main island and the one on which Honolulu and Pearl Harbor are situated.

Other local youths, members of the U. S. Navy, thought to have been in Hawaii when the attack took place include Harley Pierson, Harry and Charles Hoffman, Alfred Annundson, Clyde Decker, Jack and Russell Snyder.

No word regarding any of the youths has been received here since the attack.

LUMBER CO. CURTAILS

A total of 80 men, part of the crew retained by the Central Pennsylvania Lumber Company to remill, refile and ship lumber following the permanent cessation last summer of sawing operations at the mill, were laid off last week when the last of several million feet of rough hemlock lumber that was in stock at the time the plant shutdown was loaded and shipped away. Frank Handzys, president of the firm, said yesterday that a crew of 16 men remains.

The lumber stock at present includes a million feet of surfaced hemlock, all of which will be shipped shortly. It is expected, and about 8 million feet of assorted hardwood. The company president estimated that it would take a year, at least, to remove the hardwood lumber, which sells at a much lower rate (about 3 to 7) than does hemlock, he said.

FIRE CAUSES DAMAGE

An overheated chimney in the W. A. Matie residence, Church street, set fire to the attic late yesterday afternoon, the blaze causing a few dollars damage before it was extinguished by the fire department. The alarm which summoned the department was sounded about 5 o'clock.

GUN CLUB MEETS

The Rod and Gun Club held its December meeting at the club-house on Bull Hill last evening. A. K. Daniels, president, was in charge of the session, at which home defense was the principal topic. Committees were appointed to ascertain what the club can do in that line of service.

CANDLE LIGHT SERVICE

The Young Woman's Bible class of the Bethany Lutheran church will sponsor a candle light service, which will be held in the church at 7:30 p. m. Sunday, December 14.

GOLF PASSPORT

The ninth green of the North Portal, Saskatchewan, golf course is in the United States. Canadian players, due to present regulations, must have a passport in order to play it.

WHY THEY FLOAT

The reason a bad egg floats on water is that gases have formed inside because of decomposition. These make it lighter than a good egg containing white and yolk only.

FEW IN WOODS ON FINAL DAY FOR DEER KILL

Sheffield, Dec. 13.—Overshadowed as is everything else in the state and nation by the country's plunge into war, the 1941 season on deer in Pennsylvania was scheduled to end at 5 o'clock this afternoon, closing hour of the two-week period during which it has been legal to hunt and kill buck deer.

A few score out-of-town hunters arrived in town last night and this morning to join the score of so of their brethren who have been here all during season and local nimrods in the final day's hunting. With a three-inch blanket of snow covering the area, making ideal conditions for tracking, the prospects were bright that the day's kill would average better than any since the opening two or three days.

TEST ALARM

An alarm sounded by the fire siren about 3 o'clock Friday afternoon instead of being the usual signal to the fire department that a fire was in progress, was merely a test of a new warning system that had been installed during the day.

WHITE GIFT PROGRAM

The annual White Gift program given by the Epworth League and the Methodist church choir will be present in the church on Sunday evening, December 21, beginning at 7:30 o'clock.

Red Cross Offices

Temporarily Closed For Holiday Period

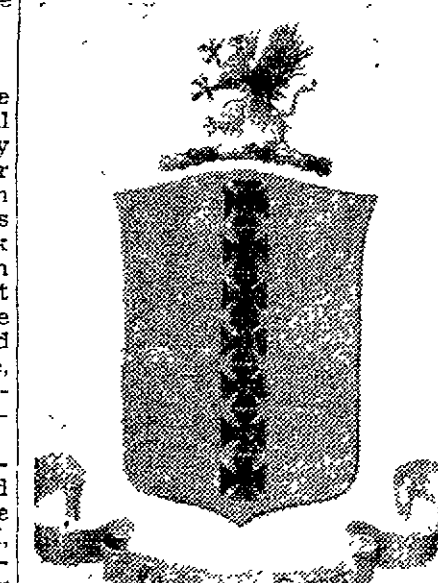

Attention of Red Cross workers is called today to the fact that the new headquarters of the organization at 404 Market street will remain open on Monday and Tuesday of next week, contrary to previous plans to close the building today and through the holiday season.

Workers in the sewing and knitting departments, individuals or groups, who need supplies for the intervening time are asked to secure them on Monday or Tuesday and the production chairman, Mrs. R. W. Steber, urges that extra work be taken out if possible.

Those participating in the surgical dressings work will find the rooms open for their convenience on the two evenings mentioned above.

Announcement of the reopening date for headquarters will be published later.

Simplicity and honor to a great tradition mark its battle insignia. The unit was one of the most active in World War I, winning battle honors in seven campaigns. This tradition is perpetuated in the seven crosses on the shield and the motto which translates "Always Into Danger."

GOOD RATIONS

Napoleon fed all captured soldiers such excellent food that many of them preferred to remain with him after the war rather than return to their own country's meager rations. Many of them willingly surrendered to get the good food offered.

TIMES TOPICS

HECTOR HIKERS

The return of snowy weather will bring delight to the Allegheny Hiking Club members, who recall many of their pleasant jaunts last winter. Tomorrow afternoon's trip will be No. 73 in the club's history, and the 11th trip of this season. It will be in Sheffield Township over a trail leading to Hector Springs Falls, and will be under the guidance of J. S. Pees of the Pennsylvania Department of Forests and Waters. The hike will be just a shade over six miles in length, over good paths, and because of the short days the party will meet at General Joseph Warren Park at 2:00 o'clock, ready to drive to the starting point promptly at 2:15.

INJURIES FATAL

Levis G. Benjamin, 69, of Farmers Valley, died in a Bradford Hospital yesterday of injuries received last Wednesday in a collision of his automobile and a gasoline truck near Port Allegany.

IN WAR ZONE

It has been learned that Acting Corporal John William Anders, son of Mr. and Mrs. Merle See, of Youngsville, at last report was located at Clark Field, Fort Stotsenburg, Pampanga, Philippine Islands. He has been serving in the U. S. Air Corps for the past 18 months.

PRETTY SIGHT

One of the beautiful sights of the business section at night is the reflection of various colors on the river from the attractively lighted community Christmas tree in Crescent Park. Many have commented on the beauty of the tree and its pretty setting across the river.

HOME FOR CHRISTMAS

Corporal John L. Hultquist, who has just completed one year of service with the United States Army at Fort Dix, N. J., arrived home Friday morning to spend Christmas with his father, L. J. Hultquist, of the White apartments. He has just returned from the Carolina maneuvers.

BEAUTIFUL BELL

Each year at Christmas time the office of the Manufacturers' Gas Company in Pennsylvania avenue, west, arranges a novel idea in Christmas decoration. This year a beautiful canopy of greens has been arranged in the form of a huge bell which extends from the front of the office. Blue lights add to its beauty at night time.

COMPLETES COURSE

Dr. Ernest A. Fogel, member of the staff of the Warren State Hospital, has completed a post graduate course in neuropsychiatry at the University of Pennsylvania Medical School. He has been in Philadelphia since October 6. While there he was sworn in as an officer in the Naval Reserves. Mrs. Fogel and baby were in Philadelphia for a time and also visited at her home at Windber.

ON COMMITTEE

Miss Bettie Miller, daughter of Mr. and Mrs. Charles A. Miller, Hartzel street, is on the publicity committee for the All College Bazaar being held at Bainbridge State Teachers College. The purpose of the bazaar is to raise money, which in turn will be used to buy Christmas gifts for all former students of the college who have been called for army service. Among draftees slated to receive boxes are John Wolfe and John Bleech of this city.

IN CANAL ZONE

Harold Wayne Erickson, son of Mr. and Mrs. Carl A. Erickson, of Youngsville, is a qualified submarine man on the flagship U. S. S. Barracuda. When he wrote his parents last, about a month ago, he was in the Panama Canal Zone. Although they reside in Youngsville, Mr. Erickson has been employed by the New York Central Railroad here for the past ten years.

CENTENNIAL HOSE

At the annual meeting of the Centennial Hose Company, held last evening, the following officers were elected for the year 1942: President, R. W. Sweeting; vice president, George Topper; secretary, John Freund; treasurer, Arthur J. McDonald; foreman, Arthur J. McDonald; first assistant foreman, George Topper; second assistant foreman; trustees, Axel Turner, William Kirberger, George Topper.

PROTESTS PLANS

The proposed hydro-electric dam on the Clinch River would put the Cook Forest area under 150 feet of water and adversely affect the state's coal industry, according to G. Albert Stewart, state secretary of forests and waters. Protesting the proposition in a telegram to the chairman of the senate commerce committee, where the measure now is, Stewart asserted it would require years of time and millions in money at a time when every minute should be used in creating the implements of war and every dollar devoted to the same purpose.

BOARD OF REVIEW

A Board of Review was held last night at Scout headquarters when several Scouts appeared for advanced ranks. Each Scout was checked on his preparation for Emergency Service in addition to the usual review questions which were asked of him. The following Scouts advanced in rank: to Star Scout, Stanley Campbell, Karl Mahaffey, James Eaton, C. Explorer Troop 2; Gail Phillips, S. John Robertson, and John Knapp of Troop 4, and Allen Woodruff of the same troop was advanced to the rank of Life Scout. Those who served on the review were C. W. Rogers, E. H. White, W. M. Hill, Calvin Hall.

REMEMBER PEARL HARBOR!

Years ago the battle-cry was "Remember the Maine!" . . . now it's "Remember Pearl Harbor!" The infamous attack on Pearl Harbor served at least one good purpose—it united the people of America! Now we are pledged to a common cause . . . differences of opinion and petty bickerings have been forgotten. We are bound to see it through!

We can all help—some by actual service in the armed forces; the rest by doing everything we can to aid the Defense Program. It takes money—and lots of it—to prosecute a war in these days. One way to raise it is by the sale of Defense Stamps and Bonds. When you buy a bond you not only help Uncle Sam but you make a good investment for yourself—one that pays almost 3% if you hold the bond to maturity. Think of it! You pay only \$75 today for a bond which in 10 years will be worth \$100.00!

DINNER MEETING HELD BY GROUP AT YOUNGVILLE

Youngville, Dec. 12.—Mrs. Warren Kay was the hostess Tuesday to the ladies of the American Legion Auxiliary at a tureen dinner at her home on Ford street.

A fund was appropriated for local disabled soldiers and members of the families of soldiers where there was special need.

Eight members of the Auxiliary volunteered to wait on table and help at the pancake supper of the Legion to be held in the Legion rooms on Saturday evening, Dec. 13, from 5 to 8 p. m.

Committees for the coming year were announced as follows:

Americanism—Mrs. Lola Walters. Membership—Mrs. Tressa Jones, Mrs. Teresa Bauer, Mrs. Mary Kay, Mrs. Louis Schmidt and Mrs. Ardelle Osgood. Welfare—Mrs. Lulu Smith and Mrs. Mildred Bogren. Committee to bring cheer to the sick—Mrs. Florence Mourer. Publicity—Mrs. Edith Husted. Finance—Mrs. Mary Kay and Mrs. Florence Hyde. Memorial Day Poppies—Mrs. Teresa Bauer. Calendar—Mrs. Alice Streeter and Mrs. Elizabeth Delar. Auditing Committee—Mrs. Lola Walters and Mrs. Dorothy Crandall. Publications—Mrs. Betty Patch.

SCHOOL BOARD

Youngville school board organization was effected this week with Fred Beckenbach re-elected president and L. L. Johnson as vice president.

Committees were appointed for the coming year with L. L. Johnson and Charles Dyer in charge of business in regard to building and grounds and Robert Mead and Frank Hendrickson for supplies.

AT U. B. CHURCH

At the recent meeting of the Woman's Missionary Society an interesting program was featured with the speaker of the day, Rev. Charles McIntyre, the pastor. His topic was "The Christian Home," which was held at the church, had a good attendance.

Thursday evening the Otterbein Guild met with Mrs. Edith Young. This Friday evening the United Brethren choir will meet with Mr. and Mrs. Carl Goodwill. This will be the annual Christmas meeting with an exchange of gifts.

Communion service will be held by Rev. McIntyre in the Pittsfield United Brethren church of which he is pastor.

DOXAS CLASS

The Dorcas Class held their annual Christmas party at the home of Rev. and Mrs. Dwight Jack Thursday evening. Christmas decorations were used in the home. A delicious tureen dinner was enjoyed.

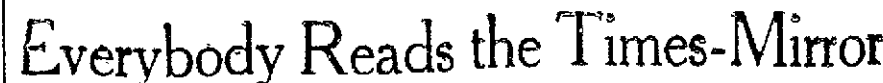

The president, Mrs. Oscar Johnson, presided at the business session, in which plans were made for some local Christmas welfare work. The hostess was presented a little gift from the class.

A hummingbird is able to fly almost a mile a minute.

Letters to the Editor

Dear Editor:

"In recognition of the role of nursing in National Defense and in anticipation of a shortage of nurses, the Congress passed on July 1, 1941, a bill which provides Federal Aid for nursing education." The Western Pennsylvania Hospital School of Nursing received from this grant enough money to supply scholarships to twenty-five students for the entire three year course. There is no obligation to the student though a small sum is paid by the student each year for such things as parties, concerts, carfare, etc., which are not included in the grant. Any student who wishes to compete for these scholarships should get in touch with the Director of Nurses as quickly as possible. She should be a high school graduate and a good student and be prepared to take the regular entrance examinations for which there is a fee of \$10.00. She should send a list of her high school subjects and grades when

Bringing the Defense Program Home! WARREN TIMES-MIRROR CARRIERS HAVE VOLUNTEERED AS OFFICIAL U. S. DEFENSE AGENTS TO SUPPLY YOU AT HOME WITH 10c DEFENSE SAVINGS STAMPS

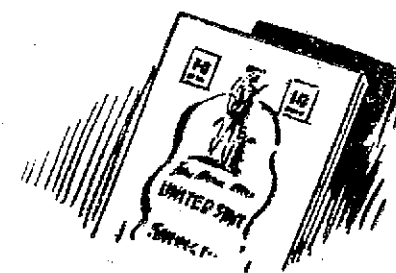

Their regular job is delivering this newspaper to thousands of homes daily. But now these loyal young Americans have volunteered to take on an extra job . . . that of taking your order for 10c Defense Savings Stamps and delivering the number specified to your home regularly each week. You pay the carrier when he delivers the stamps to you, making it easy for you to do *your* part in national defense.

To those who ask, "What can I do to help in the present emergency?" the Government answers,—"Make the continued purchase of Defense Savings Stamps a regular part of your budget. Start now to invest in the future safety of your country." Thus, acting as Official U. S. Defense Agent in the sale of 10c Defense Stamps, your carrier is cooperating with the Government—without profit or remuneration.

HOW THE PLAN WORKS

This is the 10c Defense Savings Stamp for which your carrier is authorized to take orders, supplying you with an order blank for the purpose.

This is the Official Album your carrier gives you *free* with your first stamp. In it you can paste the 10c Defense Stamps he brings you each week—as many as you order. The album will hold 187 Defense Stamps and, when filled, can be exchanged (with 5c) for a \$25 Defense Bond.

The \$25 Defense Savings Bond you receive in exchange for your filled album (and 5c) is always worth what you paid for it. The United States Treasury guarantees this. It can be redeemed after 60 days, but if you hold it for 10 years, the bond for which you paid \$18.75 will be worth \$25—an increase of 33 1/4 percent, or 2.9 percent interest compounded semiannually on your original investment.

OIL CITY NIPS SURPRISING DRAGON FIVE BY 29-28 COUNT

Poor Start Cause for Loss, But Locals Make 2nd Half Comeback in Real Thriller

A near capacity crowd froze to the bleachers in Beatty gymnasium last night as they watched the Warren High school Dragons, playing at considerable odds, lose a one point decision to Oil City's Oilers in the closest and most thrilling opener played by the locals since 1938 when the Chaldeans topped Warren with a 20-19 count.

Pouring on the typical stretch drive of all Kolpien coached squads, the Dragons took a lead at various times in the fourth quarter but saw it slip from their fingers in the last minute when Bob Ward, six foot seven inch center for the visitors, batted one off the backboard to give the charges of Coach Hud Wells a one point triumph.

Oil City took an early lead in the first chapter with four foul points in as many throws combining with a pair of baskets to give them nine points to five for Warren, and the Oilers managed to get 10 more in the second quarter while Warren was scoring but twice from the field and the same number of times from the foul line.

The game at half time had been nothing unusual and the opinion of most of the fans present seemed to be that Oil City and the Dragons just weren't in the same class this year. But the paying customers who came out in droves to celebrate the Golden Jubilee celebration of basketball and honor Lyman W. Archibald, hadn't seen the local boys man their guns yet at that time.

And the walls of the spacious arena fairly shook in the third as the crowd went hysterical while the local Blue and White fought their way back to within two points of their opponents.

Oil City's Bob Ward started things in that stanza with a pair of foul points, but Martin Smith and Bob Wright countered with two goals from the field in short order to send the Dragons on their way. Jim Urbanski got a foul shot and made it good to continue the rally, and then Smith with Lundquist added a basket and foul point respectively.

Oil City nervously resorted to a timeout after which they came back with a bucket by Frank Thurston, stellar forward, to temporarily stop the Dragon onslaught, but Wright added a foul point and basket and Lundquist dropped another foul as the period came to a close.

Smith opened the fourth with a lightning fast field goal, but the net and the Dragons had tied the score at 24-24. Wildly Oil City fought for the ball, finally gaining possession and getting a break when Howard Pratt was awarded two free throws. But Pratt missed both to keep fans on edge and the Kolpienmen in the game, though countered with a goal a few minutes later.

Behind again, Urbanski scored with a nifty shot from outside the foul circle and followed through with a foul point putting the locals in command again. However, trying to wrap the game up with one last score, Warren missed and the Oilers tallied with the winning bucket batted in from under the basket by the towering Ward with but a minute left to play.

Archibald was feted by the athletic association of Warren High school during the game, and was presented a scroll by Superintendent John G. Rossman, on which were the names of all players on this year's squad and signatures of Leidy and Kolpien. He was one of the first nine men to play in the game of basketball at Springfield College back in 1891.

Harry Summers' high school band was on hand and gave the evening added color with its music, starting things off by playing the "Star Spangled Banner" before the feature game.

Archibald threw out the golden ball with which the teams played till each had scored an unofficial basket, and this with the old-timers' version of "how not to play basketball" during halftime completed a program enjoyed by everyone of the better than 500 fans who saw the fracas.

BEARS, PACKERS WILL MEET IN TITLE SETTO

Chicago, Dec. 13—(AP)—Tomorrow, for the third time this season, those great rivals of the National Football League's Western Division—the Green Bay Packers and the Chicago Bears—will face each other, but this time the result will mean far more than just another win or loss in the standings.

The victor will be adjudged western champion, and will earn the right to play the New York Giants, eastern titlists, for the league championship Dec. 21.

RESERVES ARE TOPPED BY OIL CITY YANNIGANS

The Warren High School reserves were downed by the Oil City Jayvees in the preliminary to last night's Warren-Oil City Golden Ball encounter, by a 27-21 count.

The seconds used three complete teams, the first of which saw action in the opening and closing quarters, with the other two sharing the middle part of the contest.

Warren's first team held the edge over their visitors, but the Oil City Yannigans gained their points for victory in the second and third periods against weaker local combinations.

Hogan Still Leads Miami Pack in Open

Miami, Fla., Dec. 13—(AP)—Harassed by an uncertain putter, long-driving Sammy Snead set out today to get back the three strokes separating him from little Ben Hogan of Hershey, Pa., at the half-way mark in the \$10,000, 72-hole Miami Open.

These putts just wouldn't drop," said Snead, plainly despondent, despite a second fine 68 that left him with 136 to Hogan's two-round score of 133.

Eight times those first putting attempts would have meant birdies had they been successful, and the ninth time he was playing for an eagle. As it was he wound up with a 64, one under par.

Hogan slipped to a 69 after a blazing 64 the first day. He increased his lead over the field in three strokes, however, when Ky Lafoon of Chicago, chief threat of the first round, blew up with a 74.

The 1940 winner, Byron Nelson of Toledo, Ohio, fired a three-under 67 to take over third place just four strokes behind Hogan.

WARREN PISTOL TEAM LOSES AT JAMESTOWN

In a match fired at Jamestown last night, the Warren Pistol team lost 998 to 992 to the Jamestown Pistol team in total score after three different events.

A return match has been set for next Friday evening at the local city building where the Warren shooters will seek revenge.

DRAGONS MORE IMPRESSIVE THAN EXPECTED TO BE, EVEN THOUGH BEATEN; WARREN WOULD HAVE BEEN IN LINE FOR BREAKS FOR PONY SENDOFF

We were surprised at the showing of the Dragons last night in their opening game against Oil City before a capacity crowd celebrating basketball's Golden Jubilee, and are ready to admit today that by the time they have completed the six warmup games on their card, the Kolpienmen will be set to make the Northern loop flag race plenty hot for their brother members.

The first half was very ragged, and we thought the visitors were ready to rout the locals at halftime. But Warren's charges exploded in the third canto like a bombshell and came back with an attack that stopped the Wells charges in their tracks. Only able to get eleven points in the entire first half, the Kolpienmen came out to collect that many more in the third period to come within one basket of the invaders.

In the fourth they forged ahead, were tied up and took the lead twice more before Oil City could cage the winning basket in the closing seconds. Inexperienced in "freezing" the ball, and a little careless with the scant lead they owned, the Dragons weren't able to win the decision, but they were impressive and went down fighting. We aren't sorry for the loss; in fact, this scribe is happy because of the showing they made. A few more rehearsals and Warren will have something to offer in the basketball circle once again.

Had this community been able to get the ball rolling for a PONY League franchise during the fall, Warren would stand a good chance of getting a spot in the circuit now, one better than ever offered before. For now it is greatly possible that night contests will be discontinued in the Class D league because of the war and national defense. But it would be the advantage that would help Warren in an outstanding way, because it would put off for a year, were we in the loop now, of having to contend with the problem of raising the cabbage with which to illuminate Russell Field, and if a team could operate with fair success in twilight ball in this town, it could prepare and would guarantee even greater success for future years when lights could be installed.

Warren missed the boat again, though it was not because of undetermined commitment this time; instead, the fact that too many financial campaigns drained the reserve funds of John Q. Public's pocketbook in this town during the past few months. However, this condition of the PONY League's possibilities of having to play games in the twilight stage of day may exist for three, and the more, years. Hoping that Warren can get some kind of ticket next time, let us be the last to holler "Wait'll next year" in the sports world.

Quickies . . . Diminutive "Leak" Conroy, kid brother of Harry "Jap" Conroy, Jr., and son of "Jap", Sr., (who burned up the hardwoods in this section twenty years ago) stole the show last night in the prelim before the main contest. . . Standing hardly five feet, the little spitfire dribbled his way around Oil City's larger second team men, caught his opposing man off guard time and again, and showed a sharp batting eye at popping the long ones for counters. . . Kolpien's jayvees could have won the decision had they wished, but the local mentor experienced with his entire squad playing their experience, not for a triumph. Joe Waples, called no less than 27 fouls in the preliminary fracas, incidentally, and if that isn't a record in the past few years on Beatty court, it'll serve until we have time to look up a better one. . . Sixteen of them were against Warren, and an Oil City coach who kept a record of the varsity game in their admitted he could have called as many on the Oil City Yannigans. . . Warren's seconds made 7 of 12 foul attempts. . . Their opponents cashed in only 9 times in 20 efforts. . . The varsity game went in typical Kolpien fashion, with his charges scoring the majority of their points in the third quarter, as usual. . . Since he came here in 1931, every team has made that period its best for scoring.

Kid McCoy, Fritzie Zivic Fight to Draw

BY GAYLE TALBOT
New York, Dec. 13—(AP)—The headlong career of Young Kid McCoy toward the welterweight title was interrupted by a temporary detour last night when the baby-faced battler from Detroit was held to a draw by Fritzie Zivic.

At the end of 10 furious rounds in Madison Square Garden, two boxing officials called it even. The third voted for McCoy but, under New York boxing system, the majority ruled, McCoy was a drawn boxer as he left the ring. He thought he had won, and so did most of the crowd. This observer gave McCoy six rounds to four for the Pittsburgh fighter.

It was a rip-tearing contest all the way. They started tossing punches right after the opening bell, and had to be separated when it was over. Zivic's left eye was closed through the last three rounds, and McCoy's left orb was in mourning at the finish.

The decision left Promoter Mike Jacobs in something of a quandary, as he had planned to pit McCoy against Ray Robinson, the Negro sensation, with the winner to meet F. Gerardi, the welterweight champion. Now the whole thing is a mess, as both Robinson and Cochrane have trimmed Zivic.

There wasn't a knockdown in last night's bout, but a serious hurt, both boys being flashy punchers rather than knocker-outers.

Zoo's Who
Wintertime in the zoo finds the bear curled up for a long winter snooze, and other animals quartered indoors. Let's take a trip over there and see how many of the animals we recognize in this snowy setting.

1. The animal in the zoo with the longest neck can't make a sound and it isn't because it has laryngitis. What is its name and why isn't it in good voice?

2. One of the birds in the zoo, notes on winter weather, and looks like it's dressed formal for it. What is it?

3. While it's winter here, it's summertime back home for a certain jumping animal that carries its young in a pouch. Name this one and tell where it comes from.

ton, the navy withheld comment, evidently in line with the policy that either denial or confirmation would give information to the enemy.

Other swift-breaking developments in the seven-day-old battle of the Pacific included:

1. An official Tokyo broadcast asserted that Japanese troops had occupied Kowloon City in Britain's crown colony of Hongkong, on the mainland facing the great British naval base on Hongkong Island.

In London, authoritative quarters acknowledged that British troops might have withdrawn from Kowloon "in accordance with plans," but said there was no confirmation of a Japanese claim that Kowloon City had been occupied.

Hongkong is second only to Singapore among Britain's key strongholds in the Far East.

2. The Stars and Stripes were officially reported still flying over battered Wake and Midway Islands, U. S.-owned stepping-stones across the Pacific, with American marines fighting off violent Japanese air and sea attacks.

Midway Island is 1,300 miles west of Honolulu; Wake is 1,885 miles west of Midway. Still farther to the west, some 1,500 miles, lies Guam Island, which the Japanese claim to have seized.

3. In Manila, U. S. High Commissioner Francis B. Sayre broadcast an urgent appeal to the United States for "help before it is too late."

However, he made it clear that "we are in the fight to stay," despite the heavy pressure of Japanese air and sea-borne invasion forces.

While the United States reported that new Japanese landing attempts on the west coast of Luzon, principal island in the Philippines, had been repulsed, the Far Eastern command made ready for the threat implied in the concentration of Japanese power off the province of Zamboanga, just above the Manila area.

The situation at Guah was uncertain. The U. S. navy said yesterday had no word that Japan has taken that island.

Mexico announced two Japanese fishing boats were seized off strategic Lower California and similar seizures were reported off Cuba.

There was a 26-minute air-raid alarm in Balboa, Panama Canal Zone, but the alert was without incident.

Rep. Thompson (D-Tex.) asked if the main purpose of the legislation was not primarily "long-range planning."

"Yes," Hershey replied, "and to serve notice to ourselves that we're not holding back any man power; but we're not going to use it unless we have to."

"Would you call men from 21 to 45 before you would those from 19 to 21?" Thompson asked.

"I think it's fair," Hershey said. "If I were laying my course today, it's what I would do."

Unrest is Found Among

Inmates at White Hill

(From Page One)

The committee, headed by Judge Fred S. Reese of Cumberland county, said antagonism existed between Major Hill and Captain of the Guards W. O. Harris, on one hand, and Deputy Superintendent A. W. Castle, on the other.

It recommended that "immediate steps should be taken to dissipate the lack of cooperation and harmony and the spirit of disunity and antagonism which exists among the principal administrative officers."

The six-man committee lacked any authority beyond investigating. It interviewed 77 witnesses, including 49 guards, and placed its findings in a 28-page report to the governor.

Chief among the committee's recommendations were:

1. Increase the number of guards.

2. Strengthen the fence, over which four escapes were reported since the institution opened last March 15.

3. Leaders of the rebellious spirit of unrest and whose age and previous record justify it should be transferred to a penitentiary.

4. Various types of inmates should be segregated not only in housing, as at present, but in recreational activities, work details and in the dining room.

5. Vocational training programs should be started, at least for repair of clothing and shoes, which would save the commonwealth considerable funds.

6. The deputy superintendent's duties are incompatible with his job as director of educational program, which also is incompatible with his function as permanent head of the disciplinary court.

AT PITTSBURGH

Pittsburgh, Dec. 13.—(P)—Judge Frank P. Patterson announced he would recommend a grand jury investigation of Republican charges of fraud in the Pittsburgh mayoralty election, in which Democratic Cornelius D. Scully defeated Republican Harman D. Denny, Jr., by 8,277 votes.

The court made the announcement after witnesses testified yesterday that a woman who died seven weeks before the November election was recorded as having voted. In another instance, witnesses related that a woman recorded as having voted was a hospital patient on election day.

which the Soviets have bluntly rejected, indicated that Hitler wanted to free his hands for another military venture.

5. Heavy German troop concentrations have been reported from time to time in southern Bulgaria, including her Black Sea ports, in position for an attack on Turkey if that country refused to permit transit of Nazi legions across the Turkish "land bridge" between Europe and the Middle East.

6. In this connection, observers recalled with new meaning President Roosevelt's declaration that the defense of Turkey was essential to the defense of the democracies—a statement made by the president last week in disclosing that U. S. lease-lend supplies have been flowing into Turkey.

There was always, the possibility, of course, that Hitler might now make the desperate gamble he has avoided so long—an attempt to invade the British Isles—perhaps inspired by Japan's daring attempt to invade the Philippines across 2,000 miles of water from Japan.

But the fuhrer's most urgent need was in the Middle East theatre, where latest dispatches from North Africa reported that British mobile columns sweeping 50 miles or more beyond Tobruk were inflicting havoc among scattered German-Italian forces attempting to escape toward Derna or Benghazi.

Axis forces bottled up in the Gazala sector, 40 miles west of Tobruk, were reported to have lost 1,500 killed and another 1,500 wounded.

Both the German and Italian high commands spoke of "increasing enemy pressure" in the Libyan desert struggle, with a Fascist war bulletin reporting violent fighting east and west of Tobruk and heavy, tank-supported British attacks.

On the Russian front, a Soviet communique declared 85,000 German soldiers had been killed and 23 out of 51 Nazi divisions—approximately 345,000 out of 765,000 troops—had been smashed, routed, surrounded or forced to retreat in the Moscow zone since Nov. 16.

The Moscow radio said Gen. Gregory K. Zhukov's Red armies had recaptured another 30 villages yesterday in pursuit of the Germans retreating from the Yelitsa sector, 200 miles south

14 Convicted in Huge Spy Ring Plan to Appeal

(From Page One)

The trial disclosed that the government had scored what its agents believed an unparalleled triumph in counter-espionage.

The Federal Bureau of Investigation virtually fanned the spy ring, said to have 20 unapprehended members, no win foreign countries, by handling all its coded short-wave messages between here and Gestapo headquarters in Hamburg. The FBI built and operated a "spy" station on Long Island, where agents learned the identity of German spies, their assignments and activities.

Warren Concert Association Membership Is Unanimous in Acclaim of the Curtis Quartet

The spontaneous and prolonged applause which greeted the final note of the beautiful Haydn composition played by the Curtis String Quartet in the Woman's Club auditorium last evening, gave evidence of the sincere appreciation of the large audience.

This enthusiasm continued throughout the evening and, as the quartet departed, the audience was invited to join in the history of concert events in Warren has been such a unanimous approval of a committee's choice and the Warren Concert Association officials consider it an auspicious beginning for the 1942-43 season.

There could not be, in all fairness, any choice of an individual of the quartet for superior honors, since it was the blending of all their artistry that produced so perfect results. So to each must be accorded equal distinction and recognition of the years of work together that has brought them to the present heights in the musical world. Violinists were Jascha Brodsky and Charles Jaffe; viola, Max Atonoff; cello, Orlando Cole.

Immediately after the musicians had been introduced by the local president, Dr. LeRoy B. Campbell, they played their own special quartet arrangement of the "Star Spangled Banner". The high spot of the entire evening.

There were 45 members and guests present at the Philomel Club Friday evening to enjoy the annual Christmas party of the College Club. Beautiful holiday decorations throughout the clubhouse had been planned by the hostess, Mrs. Howard Potts, and Mrs. Allison Wade had arranged a pleasing program.

After a brief business session, Mrs. William H. Wright gave Temple Bailey's "A Candle in the Forest" and Miss Bessie Strickland sang a beautiful group of five soprano solos. Her accompaniments were played by Mrs. Harold Flowers.

The next meeting of the club will be held at the home of Miss Anna C. Rockwell, 422 West Third avenue, with Miss Margaret Landis as chairman and Mrs. R. W. Mackay as hostess. The speaker will be Dr. Robert H. Israel, superintendent of the Warren State Hospital, talking on "Neurotics".

One Plan to Reapportion The State Would Add Three Counties to 28th

(From Page One)

Potter, Cameron and McKean counties, now part of the 16th, would be shifted to the 20th district, while Pike would join the 21st.

Snowden said that the two Republican congressmen from the 15th and 16th districts would be chosen as the Republican candidate to represent the new merged district, or to run at large.

They are U. S. Reps. Robert F. Rich of Woolrich, Clinton county, member since 1930, and Wilson D. Gillette, recently elected from the 15th district.

Mercer Would Be Joined With Erie

Plans affecting the 20th Congressional district, which includes Warren county, would eliminate Mercer county in addition to adding Potter, Cameron and McKean, it was reported today by Assemblyman W. W. Muir upon his return from Harrisburg, where he attended the committee sessions. The new plan would place Mercer with Erie. The Democrats, Muir said, would eliminate one district in the southwestern part of the state. Greene county would be added to the district now comprising Fayette and Somerset, while Washington county, now combined with Greene, would be placed with a portion of Allegheny, having about 100,000 population.

Snowden said he understood the Democrats were considering making their reduction by eliminating one Allegheny county congressman and shifting part of that county to the Washington-Greene district.

The reapportionment tangle went unsolved by the regular 1941 session, and the committee was created to reach an agreement. James said he would call the legislature back if the committee agreed.

The governor acknowledged yesterday that he had not been informed as yet of the committee's agreement, and said it was safe to assume that no call would go out before January 1. He said additional provisions of law might arise in the meantime and it would be wise to wait a few weeks before summoning the legislature.

Times-Mirror Carriers to Start Sale of Defense Stamps Next Week

(From Page One)

Following the meeting the carriers will be guests of the Times-Mirror and the Library Theatre at the local playhouse, where they will see the picture, "It Started With Eve", starring Deanna Durbin.

At the meeting, the boys will sign the following pledge: "I hereby pledge allegiance to my country and its flag and do solemnly promise to serve to the best of my ability as an official U. S. Defense Agent for the sale of Defense Savings Stamps."

"I promise that I not only will explain the advantages of saving through Defense Savings Stamps and bonds to my customers, neighbors, and friends, but that I will also offer to sell and to deliver to their homes as many Defense Savings Stamps of 10 cent denominations as they may desire to purchase each week."

"I further promise that I will set an example for the others in my neighborhood by purchasing or earning Defense Savings Stamps myself."

"I offer my service with no thought of reward or remuneration for myself but in the spirit of patriotic devotion to my country in this time of national emergency."

The stamps also may be purchased at the circulation department of the Warren Times-Mirror and credit will be given to the newsboy who has the route on which the purchaser resides.

The selective service headquarters reported that nearly a million Pennsylvanians were registered for possible military training before October 1, and that nearly 12,000 had jumped the draft gun and enlisted—before October 1. The number of enlistments since war was declared on the Axis was, of course, much higher.

The same headquarters called upon the local draft boards to furnish lists of registrants classed as 2-A and 2-B, those necessary in civilian activity and in national defense, respectively.

Pamphlet on Bill of Rights is Available

A 38-page, illustrated pamphlet on the sesquicentennial of the Bill of Rights, which will be celebrated throughout the nation under the sponsorship of the Office of Civilian Defense, is now ready for distribution.

The pamphlet, which was prepared for the Office of Civilian Defense with the assistance of the Library of Congress, gives a historical summary of the writing of the first ten amendments to the United States Constitution, now known as the Bill of Rights, excerpts from statements of famous Americans on the various amendments, and material which may be useful in connection with the observance of the day.

December 15 was selected as the date for the celebration, because, according to the pamphlet, it was on that day in 1791 that Virginia, the last state necessary to ratify the 10 amendments, ratified the 10 amendments.

A selected list of old and modern patriotic songs, famous marches, books dealing with the Bill of Rights, and plays, radio dramas and motion pictures on the subject is also included in the pamphlet.

advice and unimportant. The enemy plan is now clearly revealed as an attempt to secure improvised air bases outside of the area encompassed by our ground defenses. "On Wednesday the secretary of war authorized the commanding general of the Far East command to award the Distinguished Service Cross and the Distinguished Flying Cross for gallantry in action beyond the call of duty. He also gave General MacArthur the power to promote officers and enlisted men of the Far East command for outstanding leadership in the present operations."

"2. Hawaii: "No further reports of enemy activities have been received." The bombing of Cebu, which is both an island and a city about 300 air miles from Manila represented an extension of recent Japanese raids on the Philippines. At the start of the invasion, however, the air attacks were made more than 200 miles south of Cebu at Davao, on the island of Mindanao.

The communiqué failed to state whether the island of Cebu or the city by the same name was bombed. The city is the third in size of the Philippines, ranking after Manila and Iloilo. It is an important shipping point for sugar, lumber and other products.

Military experts who had predicted that Japan meant to cap the week with fierce invasion thrusts in the Philippines found their opinion confirmed—and in the satisfactory manner of hearing that Japanese who had gained a foothold at Lingayen on Luzon island had been wiped out.

Lingayen is 100 miles north of Manila. American fighter planes had their hands full at the Philippine capital where big fights of Japanese bombers roared over the outskirts and unloaded their explosives. The dogfighting was described as spectacular and the official statement was, "It is believed our losses were slight."

Anti-aircraft guns joined quickly in the defense and several of the invading planes were reported shot down. They had darted in from the west and headed in the direction of Nichols air depot.

Earlier in the day Japanese planes attacked outlying Philippine strongholds. Heavy enemy forces were concentrated off the strategic coast just north of Manila.

The forces holding the nation's Far Eastern outpost, however, appeared ready for any new enemy offensive, and U. S. High Commissioner Francis B. Sayre radioed from Manila that "we are in the fight to stay."
